AESTIVAL FESTIVAL OF CRAFTS

aestival - adj. belonging to or appearing in summer

Each year, to celebrate the beginning of summer, juried members of the NSDCC donate their work in support of our organization, 105 pieces of fine craft are collected for the event. One hundred tickets to the event will be sold at \$60 per ticket. Throughout the evening of June 18th, 2010 numbers from 1 to 100 will be drawn, corresponding to the ticket numbers. When a ticket holder hears his or her number called, s/he will have 20 seconds to select one object from all the craft displayed. Obviously, if your number is called first, you have 105 objects from which to make your selection, if

Newsflashonline NSDCC News Flash Online! Volume 427 Mar. 17 2010.txt
your number is called last, you make your selection from the 6 objects remaining on the table. A raffle will be held to determine who takes home the Final Five items. Every ticket holder is guaranteed to go home with a great piece of craft tucked under his or her arm. And both ticket holders and their guests are eligible to purchase tickets on the Final Five Lottery.

In 2008 we added a bit of a twist to the evening, Ken Schwartz of Two Planks and a Passion fame joined us for a spectacular live auction of select items from our members and supporters. In 2009 we continued the tradition, and Ken certainly lived up to the memories. All ticket holders and their guests got in on the bidding action. After the success of last years event, 117 of our members donated their work, ranging in value from \$50 right on up to \$1250, we thought we should get started early promoting the event. We're determined to have the event meet or exceed our fundraising efforts of 2009 which raised over \$8000 for NSDCC programs and member services. Thanks in advance for your support.
